www.golfquebec.org/donations

As children are back to school in September, the Golf in School program is more relevant than ever. This is an opportunity for thousands of children to discover the fun of playing golf through their Phys. Ed. classes.

However, many schools are still waiting for financial support to acquire the proper equipment required to discover golf in a school environment and organize field trips to a golf club. This is where you can make a difference!

The golf season was splendid and it is not finished yet. You could help many children to discover the game and experience their first visit to a golf facility. www.golfquebec.org/donations

The 12th edition of the Golf Québec Fundraiser Tournament will take place on October 2, at the prestigious Royal Montreal Golf Club. It will be the pinnacle of this fundraiser month supporting Golf in Schools. This is also where the global amount of our overall collection will be announced.

The impact of a donation

In the facts, for each donation cumulating \$500, we will be able to:

- Equip the school of your choice with the complete Golf in Schools teaching kit and adapted material;
- Organize a Future Links driven by Acura Field Trip in a golf club, enabling many students to have a positive experience on the course;
- Organize an in-school visit with a golf professional, in a special event or city activity.

Impressive results

The fundraiser initiatives of the past golf season had a massive impact. In the past eleven years, over \$700,000 was collected in donations to be invested in golf discovery activities targeting children. As a result, golf has regained its vigour.

Since 2009, with the help of generous golfers and corporations, 675 elementary and high schools integrated the Golf in Schools program to their Phys. Ed. classes.

In addition, some sixty Field Trips were conducted in the past two years and an increasing number of golf clubs are adopting the Future Links driven by Acura program.

Golf Québec programs such as *Golf in Schools*, *Future Links driven by Acura Field Trips*, and *In-School Visits* are the cornerstones of this strategy.

A donation to facilitate the transition “From School to the Golf Club”

You can help too and contribute to helping more children discover the game of golf.

www.golfquebec.org/donations

For each financial contribution of \$25 and more, Sports-Québec will remit tax receipts corresponding to the eligible donation on behalf of the Québec Golf Federation as part of the Placements Sports matching program.
