## **2009 NOTICE TO COMPETITORS**

**The Player and Program Development Committee Chairperson and the Tournament Committee Chairman of Golf Québec would like to announce to all participants that the following rules will apply in Golf Québec sanctioned events.**

### **1) Golf Québec membership card**

A valid Golf Québec / RCGA membership card with a certified handicap factor must be presented at each tournament. The handicap factor must have been certified within 15 days. A player who does not show his/her card may be refused access to the competition.

### **2) Entries**

The Committee reserves the right to limit the size of field for all provincial tournaments. Selection criteria are indicated on all tournament posters. Entries must be received before the deadlines indicated on the entry forms. Internet or cheque payments must accompany each entry form.

- **Provincial Junior Tour: NUMBER OF PLAYERS**
  - 45 golfers coming from the regional teams.
  - 45 to 75 players selected from the lot of registration forms received at Golf Québec.  
\* If Golf Québec receives more registration forms than the identified limit, golfers will be selected based on the 2008 Junior Order of Merit.
- **Provincial Junior Championship (boys and girls):** Please refer to the Championship poster available on our website to have more details on the selection criteria, and on the exemptions.
- **Provincial Junior Match Play Championship (boys):** The 32 best competitors of 18 years old and under in the Provincial Junior Championship will be invited to participate in this championship.
- **Provincial Junior Match Play Championship (girls):** The best 16 players of 18 years and under at the Provincial Junior Championship will be invited to participate in this championship.
- **Provincial Match Play Championship:** Both winners of the Men's Provincial Match Play Championship and Provincial Junior Match Play Championship of the preceding year, two players from the host club and the 28 best players from the 2007 Order of merit will be invited to participate in this championship. In the senior division, the winner of the Senior Match Play of the preceding year, one senior player from the host club, and the 14 best players from the preceding year's Men's Senior Provincial Championship will be invited to participate in this championship.
- **Women's Provincial Match Play Championship:** The best 16 players of the Women's Provincial Amateur Championship will be invited to participate in this championship.
- **Mixed, Parent/Child, Men's Four-Ball tournaments:** In the case of too many entries for tournaments such as the Mixed, Parent & Child and the Men's Four-Ball, the Committee will only accept one entry per club, and will further decide to accept other entries on a pro-rated basis of club membership.
- **Women's 4 balls tournament:** If there are too many registrations, the cut will be made based on handicap factors.
- **Ladies tournaments:** Unless otherwise stated, selection of players in women tournaments will be made based on the handicap factors. Selection policies are on the tournaments' eligibility posters.
- **2009 Canada Games:** A separate 2009 Canada Games Order of Merit has been designed to select the provincial team. The top 3 players on that Order of Merit will make the team. Ties will be settled in a sudden-death play-off at the 2009 Provincial Junior Championship. For more details on the Order of Merit, please refer to the Golf Québec website at [www.golfquebec.org](http://www.golfquebec.org).

### **3) Discipline**

All junior competitors must follow the 2009 Junior Code of Conduct. All amateur competitors must follow the 2009 Code of Conduct for competitors. The dress code will be strictly enforced. All competitors must follow the Amateur Status rules available on the RCGA website ([www.rcga.org](http://www.rcga.org)).

#### **4) Practice rounds**

1. Provincial Junior Championship: For the **official** practice round, each player's teeing time will be posted on Internet.
2. For tournaments where a practice round is permitted, players must make their own reservation(s) with the concerned golf Professional. Host club requirements may vary.

#### **5) Starting times**

Competitors must be present at the first tee, **ten minutes** before his/her starting time. A player being five minutes late will incur two penalty strokes, and a player being more than five minutes late will be disqualified.

#### **6) Alternates**

Players who want to substitute for any last minute cancellations will not be accepted unless they are listed on the official draw.

#### **7) Results**

Competitors must exchange their score cards. They must verify their own score and act as score keepers for another competitor. It is highly recommended to verify your score card before signing and submitting it to the scoring official. Score cards must be signed by the scorer and the player. Parents and spectators **cannot be** involved in the scoring of a player. A player who doesn't remit his/her card will be disqualified, resulting in a DNF (did not finish) score.

#### **8) Prizes in tournaments**

In general, gift certificates are awarded to best gross scores in all championships. Some gift certificates may also be given to the best net scores at some events.

#### **9) Reimbursement policy**

In general, when a draw is completed and released for a tournament round, no reimbursement is issued if the player decides not to take part in the tournament. They are handled as "no shows". To prevent losing the totality of the entry fees, contact us BEFORE the draw is made and we will reimburse you the fees minus a \$25 administration fee.

#### **10) Medical problems**

If an injury prevents you from taking part in our tournaments, we may reimburse you the sum of the entry fee(s) (an evaluation of your case will be made). You must make a specific claim, documented and signed by your physician. No medical letter, no refund.

If health problems prevent you from playing in our amateur circuit for the ongoing year, you could be able to maintain your differential from the preceding year. This can be done by sending a specific request informing us of your situation (at least 48 hours) before the beginning of a tournament, and documented by your attending physician. Each request is reviewed by the Tournament Committee. However, please note that if you were on the Order of Merit from the preceding year, the privileges attached to this honour will not be transferred.

#### **11) Motorized Transportation Policy**

Please refer to the Motorized Transportation Policy for rules applying to use of electric carts.

#### **12) No shows**

After qualifying, a player who does not show for his/her starting time for a subsequent round without notifying Golf Québec, will have his/her entry cancelled for his/her next tournament.

#### **13) Provincial teams**

The Tournament Committee reserves the right to modify the conditions of any events or team selection at any given time.

Any player who qualifies for any Québec team agrees to represent the Province in the competitions and to take part in all official functions attached. In this matter, the player must be present at the tournament site on the Saturday preceding the Canadian Championship (or any other time designated by Golf Québec). Failure to conform, without an acceptable reason, pre-approved by the Tournament Committee, will result in loss of team privileges.

- **BOYS - Team selection**

- **Canadian Junior Boys Championship:** In 2009, the Québec team at the Canadian Junior Boys Championship is composed of the four best players after a CN Future Links Championship (3 rounds of the best tournament) and after the Provincial Junior Championship (4 rounds). Rankings will be established according to the differential of the 7 rounds. The provincial champion will automatically earn a spot on the team if he played in the CN Future Links Championship. In the case of the other members of the delegation, the selection will be based on the cumulative scores of the four rounds of the Provincial Junior Championship. The number of competitors depends on the reserved quota for each province.
- **Williamson Cup:** The Williamson Cup team consists of the four best 17 year old or under competitors from the current year Provincial Junior Championship, and who are not part of the delegation participating at the Canadian Junior Boys Championship. In addition, they must have showed the best qualities of sportsmanship, leadership, enthusiasm, improvement in the game, and potential golfing ability based on the committee's choice. These players must be members of the Provincial or Provincial Development teams.
- **International Junior Masters:** The International Junior Masters team consists of the four best competitors, 17 year old or under selected according to the 2007 Provincial Junior Championship and in accordance with the eligibility rules of the tournament. These players must be members of the Provincial or Provincial Development teams.
- **East Coast Junior Open (Bouctouche, N.B.):** The delegation representing Golf Québec will be selected based on the results of the first two tournaments of the Provincial Junior Tour. These players must be members of the Provincial or Provincial Development teams.
- **Québec / Ontario Tournament:** The three highest ranked golfers, boys & girls, from the Canada Games order of merit will be representing Québec at the 2009 Canada Games. The 4 following juvenile golfers, boys and girls, will form the team for the Québec / Ontario Tournament. Ties will be settled in a death playoff at the 2009 Junior Provincial Championship. The two first spots at the pee-wee championship (13 and under) will complete the team. For more information on the Order of Merit, visit our website [www.golfquebec.org](http://www.golfquebec.org).

- **GIRLS - Team selection**

- **Royale National Junior Girls Championship:** The Québec team at the Royale National Junior Girls Championship is made up of the best 4 players after a CN Future Links Championship (3 rounds of the best tournament), and after the Provincial Junior Championship (3 rounds). Rankings will be established according to the differential of the 6 rounds. The provincial champion will automatically earn a spot on the team if she played in the Québec CN Future Links Championship. The Province must also select (with the same criteria) an alternate player and a sixth player who will travel with the team at Golf Québec's expense.

Please note that all the players who want to take part in the National Championship must send their entry forms before the deadline. For example, a player selected as a member of the Québec team who did not send her form to the RCGA will not be able to participate. Participants other than the members of the team, the alternate and the sixth player, will be selected by a national cut based on the handicap factor at the entry.

- **East Coast Junior Open (Bouctouche, N.B.):** The delegation representing Golf Québec will be selected based on the results from the first two tournaments of the Provincial Junior Tour. These players must be members of the Provincial or Provincial Development teams.
- **Québec / Ontario Tournament:** The three highest ranked golfers, boys & girls, from the Canada Games order of merit will be representing Québec at the 2009 Canada Games. The 4 following juvenile golfers, boys and girls, will form the team for the Québec / Ontario Tournament. In case of equality there will be sudden death playoffs at the 2009 Junior Provincial Championship. The two first spots at the pee-wee championship (13 and under) will complete the team. To get more information about the order of merit, you can go on our website at, [www.golfquebec.org](http://www.golfquebec.org).

- **MEN - Team selection**
  - **Canadian Men's Amateur Championship:** The team representing Québec at the Canadian Men's Amateur Championship Willingdon cup consists of four players. The winner of the Men's Provincial Amateur Championship will automatically earn a spot on the provincial team. The other members of the team will be selected following the Order of Merit (point system) of the current year. If there is a tie for the team members, a sudden death play-off will be held shortly after the end of the Men's Provincial Amateur Championship.
  - **Canadian Men's Senior Championship:** The team representing Québec consists of the best four players of the Men's Provincial Senior Championship held over three days. All ties will be settled by a sudden-death play-off.
  - **Canadian Men's Mid-Amateur Championship:** The team representing Québec consists of the best four players of the Men's Provincial Mid-Amateur Championship. The team must be composed of at least two players aged of 40 years old and over. Please note that, the team will be determined after the three rounds of competition.
- **WOMEN - Team selection**
  - **Royale Cup Canadian Women's Amateur Championship:** The selection of four members of the Provincial team, an alternate, and a sixth player will be based on the total differentials of the five mandatory rounds (Team Trials and Women's Provincial Amateur Championship). The provincial champion will become a member of the team, but she must have participated in the team trials.
  - **Royale Canadian Women's Senior Championship:** The selection of four members of the Provincial senior team an alternate, and a sixth player will be based on the total differentials of the four mandatory rounds (Team Trials and Women's Provincial Senior Championship). The senior provincial champion will become a member of the team, but she must have participated in the team trials.

#### 14) Order of merit

- The player is responsible to inform Golf Québec of his/her participation to tournaments other than those of Golf Québec.
- In 2009, the boys will be ranked with a distinct Provincial Order of Merit: one Pee-Wee/ Mosquito Order of Merit for the 13 years old and under, and one Junior/ Juvenile Order of Merit for the 14 to 18 years old.
- A player of 13 years old or under can accumulate points on the Junior/ Juvenile Order of Merit (14-18) but must ask for an upgrade when registering to the tournaments. He must respect the conditions of play of the Junior/ Juvenile category. The opposite is not possible.

**Marcel Paul Raymond, Player Development Committee Chairman**  
**Paul Schofield, Tournament Committee Chairman**
