## NOTES

For all tournaments, the same points will be allocated to all golfers tied for a specific rank.

In general, the committee may add / delete events throughout the 2026 golf season.

A maximum of six (6) tournaments from April 1, 2026 to October 15, 2026 will count for points on the OOM. A player may play in more than six (6) events on the tournament listing but only the best six (6) events will count for points.

Please note that the OOM ranking will be considered final as of October 20, 2026. Any corrections (regardless of fault) will not be made after that date.

**For any tournament (stroke-play only):** if there is a cut in the event, all players missing that cut will get 5 % of the winners share. All players making the cut will be guaranteed a minimum of the last place of the cut points in the Points Distribution Chart.

**Jocelyne Bourassa Series:** the Debbie Savoy Morel Cup and the Women's Provincial Amateur Championship are the two events that will count. The same number of points will be allocated to the winner as identified in the tournament listing above.
