NOTES

For all tournaments, the same points will be allocated to all golfers tied for a specific rank.

In general, the committee may add / delete events throughout the 2026 golf season.

A tournament can only count on this OOM if it's played between April 1, 2026 and October 15, 2026.

Please note that the OOM ranking will be considered final as of October 20, 2026. Any corrections (regardless of fault) will not be made after that date.

Any stroke play tournament: if there is a cut in the event, all players missing that cut will get 5 % of the winner's share. All players making the cut will be guaranteed a minimum of the last place of the cut points in the Points Distribution Chart.

Jocelyne Bourassa Series: the Debbie Savoy Morel Cup and the Women's Provincial Amateur Championship are the two events that will count. The same number of points will be allocated to the winner as identified in the tournament listing above.
