NextGen - Québec or Ontario	Provincial Junior Boys Championships	Canadian Junior Boys Championships.	Graham Cooke Junior Invitational
4 000	5 000	6 000	3 000

Championnat NextGen : the best result/position between the Quebec NextGen Championship or the Ontario NextGen Championship will be used.

In general, the committee may add / delete events throughout the current golf season.

For all tournaments, the full points will be given to all golfers tied for the same position.

In the event that a player is unable to participate in the Graham Cooke Invitational due to their participation in the Canada Games, a differential will be calculated using **the results of the first two rounds at the Canada Games.**

This differential will be used to compare the position the player would have achieved at the Graham Cooke Invitational, and the points corresponding to that position will then be awarded to the player in the Federated Order of Merit ranking. **Not applicable in 2026.**
