

Hello everyone,

Golf Québec is proud to announce that registration for all 2024 provincial competitions will open on March 4, 2024 at 8:00 a.m.

Click [HERE](#) to view the schedule for each tour.

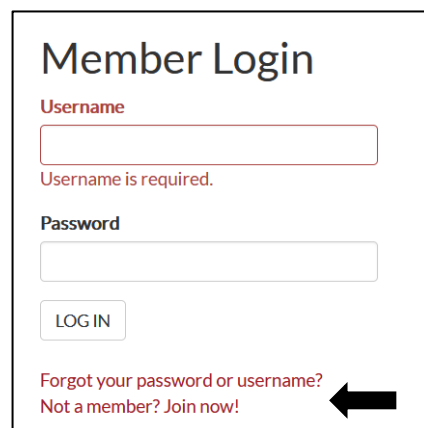

Once again, this year, Golf Québec and all regional associations will be working with the Golf Genius platform to plan this season's competitions.

To plan your registration process, here are a few useful things to know.

- 1) To complete a registration, you must access your Golf Canada Score Centre account by clicking on the *Log In* tab that is located in the upper right-hand corner of the [competition schedule page](#) or in the tournament portal.

- 2) You will be redirected to the Golf Canada login page where you will need to enter your Golf Canada Score Centre credentials.
 - a. If you receive a message while entering your credentials that your membership is no longer active, you will need to contact **your club** to activate it. *Golf Québec cannot activate your membership.*
 - b. *****WHAT NOT TO DO***** It is important to understand that **if you are a member of a Golf Québec member facility, you already have an account in the Golf Canada Score Centre** and you do not have to purchase a new membership at \$59.95 on the Golf Canada website.
 - c. If you are not a member of a golf club, you must obtain a public golfer membership available [HERE](#).
 - d. If you already have a public golfer membership, just make sure to renew it for the 2024 season.
 - e. If you do not know your login information, click on **Forgot your password or username?** On the next screen, enter your e-mail address to receive this information.
 - f. If you do not receive a message after entering your e-mail address, please contact Émeraude Beaupré Ayotte at ebeaupreayotte@golfquebec.org for assistance.

- 3) Once you have entered your credentials and are properly logged in, you will be redirected to the initial page where you were before entering your credentials in the Score Centre, you will have 2 options:
 - a. You will be able to register for one tournament at a time by clicking on **Add to Pending List** and following the next steps. You will then need to repeat this action for each competition you wish to register for.
