

## SELECTION OF BOY'S AND GIRL'S TEAMS FOR THE 2022 CANADA GAMES

The Canada Games are back in 2022 and will be played at Legends on the Niagara Golf Club on the Battlefield Course, August 17-20, in Niagara, Ontario.

In 2022, Golf Québec is inviting all interested and eligible players to participate in the selection process for the 2022 Canada Games.

First, a preliminary selection is made by participating in the **Optimist Classic** and the **Québec Junior Open**. Then, according to a special Canada Games Order of Merit, the best participants will be invited to the final selection camp.

### COSTS RELATED TO SELECTION ACTIVITIES

For the **preliminary selection**, participants are responsible for covering their travel, living expenses and competition registration fees.

For the **final selection camp**, there will be no registration fees for participants. However, participants are responsible for covering their travel and living expenses.

### PRE-SELECTION

The **Optimist Classic** and the **Québec Junior Open** will be the two qualifying competitions for the preliminary selection. This applies to both boys and girls.

The ranking will be established according to the best result in these 2 competitions. If a player participates in only one of these two competitions, this result will be the one that counts.

For each of these competitions, the number of players will determine the point distribution chart used. In this chart, the *2000 points to the winner list* will be the one used for each of the 2 competitions.

**Equivalences:** no equivalences will be given if a player cannot compete in one of these competitions

For all competitions where players are tied, full points for that specific rank are given to all.

Please refer to the 2022 Canada Games Order of Merit for points awarded.
