NOTES

For all tournaments, the same points will be allocated to all golfers tied for a specific rank.

In general, the committee may add / delete events throughout the 2022 golf season.

A maximum of eight (8) tournaments from April 1, 2022, to October 15, 2022, will count for points on the OOM. A player may play in more than eight (8) events on the tournament listing but only the best eight (8) events will count for points.

Please note that the OOM ranking will be considered final as of October 20, 2022. Any corrections (regardless of fault) will not be made after that date.

For any tournament (stroke play only): if there is a cut in the event, all players missing that cut will get 5 % of the winner's share. All players making the cut will be guaranteed a minimum of the last place of the cut points in the Points Distribution Chart.

CJGA Multi-Day: except for the Québec Junior Open, the remaining events on the Québec/Ottawa schedule can count.

Inter-Regional Championship: the 10 player or less Points Distribution Chart will be used to give points for this tournament. If all 9 regions are present at the event, the teams finishing in 8 and 9 place will be awarded the same number of points.

Québec Games: only the individual round will count.

Regional Junior Tour (RJT): A differential of the 3 best RJT results will give points. This means that a player must play at least 3 RJT rounds to qualify for points. All of the RJT rounds played will only count for one event.

U.S. Girls' Junior: only the match play chart for 64 players will be used to award points to players for that tournament.

U.S. Girls' Junior - Regional Qualifying: points will be awarded only to those players that played in a regional qualifying event. Qualifying points will not be awarded to players who receive an exemption (of any kind) into a tournament. **It is the players' responsibility to tell Golf Québec that they have participated in a regional qualifying round, so that Golf Québec can award points accordingly.**
