NOTES

For all tournaments, the same points will be allocated to all golfers tied for a specific rank.

In general, the committee may add / delete events throughout the 2024 golf season.

A tournament can only count on this OOM if it's played between April 1, 2024 and October 15, 2024,

Please note that the OOM ranking will be considered final as of October 20, 2024. Any corrections (regardless of fault) will not be made after that date.

Any stroke play tournament: if there is a cut in the event, all players missing that cut will get 5 % of the winner's share. All players making the cut will be guaranteed a minimum of the last place of the cut points in the Points Distribution Chart.

Jocelyne Bourassa Series: the Debbie Savoy Morel Cup and the Women's Provincial Amateur Championship are the two events that will count. The same number of points will be allocated to the winner as identified in the tournament listing above.

U.S. Women's Senior: only the match play chart for 64 players will be used to award points to players for that tournament.

U.S. Regional Qualifying: points will be awarded only to those players that played in a regional qualifying event. Qualifying points will not be awarded to players who receive an exemption (of any kind) into a tournament. It is the players' responsibility to tell Golf Québec that they have participated in a regional qualifying round, so that Golf Québec can award points accordingly.
