1 GENERAL

1.1 Purpose

This Placement Policy Statement (“**PPS**” or “**Statement**”) applies to the placement portfolio (“**Portfolio**”) of the Québec Golf Federation (heretofore referred to as “**Golf Québec**”). The purpose of this Placement Policy Statement is to outline the procedures and policies to effectively manage and monitor these placement assets. The assets will be managed in accordance with all applicable legal requirements.

Any placement manager (“**the Manager**”) or the Placement Committee (“**the Committee**”) or any other agent or advisor providing services in connection with the portfolio shall accept and adhere to this Statement.

1.2 Background

Golf Québec is incorporated as a not-for-profit organization and accordingly is exempt from income taxes. The fiscal year end of Golf Québec is November 30.

1.3 Objective

The primary goal of the Portfolio is to assist Golf Québec in achieving its objectives as set out in its strategic plan. The prudent and effective management of the assets of the Portfolio has a direct impact on the achievement of this goal. This Statement is designed to guide the Placement Committee, the Manager, and Golf Québec Staff in achieving this goal.

1.4 Review

This placement policy should be reviewed annually by the Board of Directors and no Committee of the Board or employee has the authority to change it without the prior written approval of the Board of Directors.

2 RESPONSIBILITIES

2.1 Board of Directors

The Board of Directors (“**the Board**”) of Golf Québec has ultimate responsibility and decision-making authority for the Portfolio’s long-term placements. The Board has the responsibility to govern the assets of the Portfolio and must appoint a Placement Committee which will operate pursuant to Terms of Reference approved by the Board in accordance with Golf Québec’s By-Laws. Where one does not exist, the duties of the Placement Committee fall directly to the Board.

The Board may delegate some of its responsibilities with respect to the placement of the Portfolio to agents, staff (namely the Executive Director or Finance Director), the Committee or advisors. In particular, the services of a custodian (“**the Custodian**”) and of one or more placement managers are retained. As a fiduciary for the Portfolio, the Board

is expected to:

- Maintain an understanding of legal and regulatory requirements and constraints applicable to the Portfolio.
- On an annual basis, review the Portfolio's Placement Policy Statement and make appropriate change.
- Formulate recommendations regarding the selection, engagement or dismissal of professional placement managers and advisors.
- Formulate recommendations regarding Managers' mandates.
- Oversee the Portfolio and the activities of the Managers, including the Managers' compliance with their mandates, the placement performance of assets managed by each Manager and the performance of the Portfolio as a whole.
- Ensure that the Managers are apprised of any amendments to their mandates.
- Inform the Managers of any significant cashflows.

2.2 The Finance and Audit Committee

The Finance and Audit Committee of the Board of Directors, with the assistance of the Executive Director of Golf Québec, will be responsible for making placement and asset allocation choices that are guided by the sound management of Golf Québec's funds:

- All placement decisions must be documented and kept on file.
- All placement decisions must be approved by the Finance and Audit Committee.
- The advice of placement consultants and their services may only be provided by independent firms (or individuals).
- It is Golf Québec's objective to pay the minimum fee for such advice and services.
- All laws pertaining to sound placement management of assets shall be respected.

The Committee should endeavour to delegate placement management responsibilities to third party managers with a demonstrated commitment to incorporating ESG (Environmental, Social, and Governance) factors in their placement decision-making process when doing so may have a material impact on the placement risk and/or return. At a minimum, contracted managers are expected to be signatories to the United Nations Principals for Responsible Investment (UN PRI) and offer placement solutions that are aligned with the UN PRI's six principals of Responsible Investment. Placement managers are also required to establish an active relationship with the issuing entity.

Companies that are committed to promoting more sustainable business practices have clearly defined proxy voting guidelines that take ESG considerations into account, and vote proxies on a company-wide basis (as opposed to voting by fund or by client).

All fiduciaries shall disclose the particulars of any actual or potential conflicts of interest with respect to Golf Québec. This shall be done promptly in writing to the President of the Board of Directors of Golf Québec. The President will, in turn, table the matter at the next Board meeting.
