The last two seasons have certainly been emotional for everyone. They marked our lives on a personal, professional, and social level. Your sport was also affected and the sports community was hit hard.

Despite the madness of the pandemic, golf courses were ready for you. You were faithful to your sport by playing and inviting people to discover golf. We are seeing many new golfers on the courses, children and families. This is good for the future of golf.

Golf Québec was instrumental in getting the game back on track and continues to work tirelessly to develop the game of golf. Your support is crucial to ensure that new golfers who discovered our sport continue to play and that Golf Québec can pursue its initiatives in the months and years to come. Golf grows from this. We must continue to do so.

Through the "My Golf, My Community, and I" campaign, golf will continue to build on this momentum.

The Impact of a Donation

Golf Québec and its regional associations are renewing their commitment to local and regional initiatives in order to **Initiate passions, build dreams**, as our slogan says.

Several opportunities to discover golf are offered to support and involve every golfer, volunteer, and community. In concrete terms, the combined donations allow to:

- Continue to promote the discovery of golf in schools
- Organize the Junior Skills Challenges
- Support the presentation of regional Introduction Tours (IT)
- Organize activities that allow many kids to have a positive experience on the course
- Train community golf coaches

More than ever, your federation needs the support of its community.
